In *The Wasted Vigil*, Nadeem Aslam, the award-winning author of *Maps for Lost Lovers*, brilliantly knits together five seemingly unconnected lives to create a luminous story set in contemporary Afghanistan. There's Marcus, an English expat who was married to an outspoken Afghani doctor; David, a former American spy; Lara, from St. Petersburg, looking for traces of her brother, a Russian soldier who disappeared years before; Casa, a young Afghani whose hatred of the Americans has plunged him into the blinding depths of zealotry; and James, an American Special Forces soldier. Aslam reveals the intertwining paths that these characters have traveled, constructing a timely and intimate portrait of the complex ties that bind us and the wars that continue to tear us apart.
