A brand new 'Smart Guide' from Insight, featuring an A-Z format that allows you to find your way around the book with ease and plan your trip according to your very own personal taste. Themed headings cover over 400 things to see and do from architecture, history, cafes and hotels, to nightlife, restaurants, bars, shopping and much more, allowing you to set your own priorities for a truly tailor-made and individual travel experience. The front-cover flap highlights all the top attractions and pinpoints exactly where to find these within the guide, for quick and easy reference at a glance. Area overviews conveniently highlight the very best each district has to offer, from the old Medina to the 'Ville Nouvelle' of Gueliz, through the Mouassine Quarter and the Menara. The guide also contains a transport map and 10-page street atlas with full index and detailed mapping, cross-referenced to the main text for easy navigation. The back-cover flap provides on-the-spot practical information, such as important telephone numbers and websites, useful phrases and a climate chart, not to mention also making a handy bookmark. Smart Guides - the smart way to navigate.
