Introducing the new Cape Town Smart Guide - a practical guide which puts the city at your fingertips. Featuring the unique and innovative A-Z format of "Smart Guides", this guide classifies Cape Town's attractions and services by themed headings, ensuring you can quickly and easily find what you're looking for. With over 400 amazing things to see and do, you can pick and choose from bars, beaches, dance, museums, music, parks, restaurants, shopping, townships and much more, allowing you to plan your trip according to your own personal taste. Area overviews, conveniently listed by district, highlight the best of Cape Town and surrounding areas, from the city centre and Bo-Kaap to the Garden Route; accompanying detailed maps provide straightforward orientation. A fully indexed street atlas is also included, to help you get around Cape Town. The inside front-cover flap highlights Cape Town's top sights as assessed by local writers and the back-cover flap provides useful information to help you get by. Overall, the Cape Town Smart Guide is ideal guide for smart travellers, telling you where to go, what to see and how to get there.
