Updated to include changes in financial aid as a result of landmark new legislation passed in fall 2007, Peterson's Paying for College , provides parents and students with

straight, easy-to-understand answers to the most frequently asked questions about financial aid. While most competitive books make unrealistic promises that they'll help you go to college for free, this book takes a more practical approach, recognizing that most American families will have to navigate the financial aid process and pay for college in some way. As college costs continue to rise and borrowing becomes more difficult for many families, this book is particularly timely.
