What happens when a flea gets a bad case of the sniffles? Utter pandemonium in the barnyard! This rollicking picture book follows a lovable flea and his exceptional sneeze through the mayhem. Before the night is over, every animal--from the mouse to the cow--has something to say. Will the animals ever go back to sleep? Lynn Downey's quirky text and Karla Firehammer's charming pictures make this a winning story for preschool children, and the new big book format is perfect for sharing with many kids at once.
