'Hasta la vista, baby' is no way to address a Spanish police officer. 'Arriba, arriba' won't make the taxi go faster, and '¡ay, carramba!' won't grab a waiter's attention. Use this book to say what you really mean.

Combining the phrasebook with the audio CD means you can listen and improve your pronunciation before you travel. Or even play a phrase to people you meet while traveling - just transfer the MP3 files on the CD to your portable media device.

Audio Pack Includes:

400 key phrases on Cd for practical, social and emergency situation

3500 word two-way dictionary
