Revised annually, Financial Accounting & Reporting is the most up-to-date text on the

market. Now fully updated in its 12th edition, it includes extensive coverage of International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs). This market-leading text offers students a clear, well-structured and comprehensive treatment of the subject. Supported by illustrations and exercises, the book provides a strong balance of theoretical and conceptual coverage. Students using this book will gain the knowledge and skills to help them apply current standards, and critically appraise the underlying concepts and financial reporting methods.
