Instructional DVD included. Now play!

Never before has fiddling been so popular—the Riverdance phenomenon, the runaway success of Celtic Woman, and country and bluegrass sensations. Now, anyone can

learn to play through the simple, step-by-step lessons provided here by an international expert and professional performer. Illustrated with finger tabs and supported by a unique instructional DVD, this will have budding musicians fiddling in no time.

- Includes a unique 90-minute instructional DVD
- Dozens of tutorial photos and songs to play throughout
- Klein is a seasoned fiddler and professional instructor
