You think you know Bon Jovi, but you don't until you open this book. With gorgeous, exclusive photographs and revealing text from the band members themselves, Bon

Jovi: When We Were Beautiful captures Jon, Richie, Dave, and Tico at both intimate moments and under the limelight in all aspects of their lives, from the private times backstage and on the road to their stunning and unforgettable live performances. Stretching back to the early days in Jersey, through successes and struggles, and up to the 2008 Lost Highway tour—the highest-grossing rock tour of that year—this book offers fans a dazzling portrait of rock stars on the road as they reflect on their twenty-five years together as a band of brothers. This insider's portrait of one of America's best-loved rock bands is the subject of a major documentary and this extraordinary book.
