Yellow Bananas are captivating chapter books designed to help young readers make the transition from storybooks to text-based books. The next level up from Blue Bananas, each book features short chapters, engaging full-color illustrations, and a strong story about interesting characters. As their reading abilities develop, kids will want to make the jump from Blue to Yellow Bananas! Annie's father is talking about tearing down the old barn and building a new one in its place. But what will happen to all the birds that nest there? Annie and her grandfather are worried about their safety. Then something amazing happens which shows the birds are wiser than they thought.
