The International Student Handbook 2010 is the only book exclusively for foreign students! It gives the “international profile” for 2,900 colleges, covering financial aid, Test of English as a Foreign Language (TOEFL) requirements, housing, and special

services for international students. Includes step-by-step guidelines on how to prepare for and apply to colleges in the United States, find financial aid, and obtain a student visa. An appendix lists Education USA advising centers around the world, where students can go locally for more information.
