

The Concept of Mind

[The Concept of Mind_下载链接1_](#)

著者:Gilbert Ryle

出版者:Penguin Classics

出版时间:2000-8-3

装帧:Paperback

isbn:9780141182179

This epoch-making book cuts through confused thinking and forces us to re-examine many cherished ideas about knowledge, imagination, consciousness and the intellect. The result is a classic example of philosophy.
