装帧:

isbn:9780375429576

Do you want the real scoop on the country's top medical schools? This book gives the insider's perspective on the nation's top medical schools and provides rankings based on student surveys, just like those made popular by The Princeton Review's

acclaimed Best 371 Colleges guide.

Best 168 Medical Schools also includes student reviews of classes, professors, social scenes and more, as well as a complete index of schools throughout the country with basic information on their programs. Plus, it covers the ins and outs of admissions and financial aid, and the schools get an opportunity to talk back by including their own profiles. Best 168 Medical Schools has everything you need to find the perfect match for you in a medical school.
