The book is a revision aid for undergraduate students of company law. It sets out likely examination topics and provides a useful insight into difficult areas, analysing them in a clear and straightforward way. The student is given useful hints as to how to tackle examination questions and prepare for that all important test of knowledge. Essential Company Law 3rd edition sets out the government's approach to the reform of company law, highlighting recent suggestions for reform such as a revision of the law on corporate manslaughter, a review of the law on directors' duties, and shareholders remedies, as well as dealing with important recent cases.

浅显易懂案例多，不错，就是太学术化了，估计是大学教授写的，都这德性，不过话说回来，律师们是没有这功夫写书的，成功的大律师们忙着赚钱，小律师们写了也没人看。
