著者:Rob Ryan

出版者:Chronicle Books

出版时间:2009-2-4

装帧:Hardcover

isbn:9780811868419

Artful, eye-catching, and full of heart, renowned screen printer and artist Rob Ryan's papercuts have graced book covers, album covers, and the fashion collections of Paul

Smith. In *This Is for You*, Ryan takes his unique vision and crafts a book-length valentine that will move the heart and engage the spirit with its charm and artistry. Hand cut and hand painted, each page of Ryan's book can stand alone as a striking art piece, or be read as part of a larger tale of a young man's love and his ultimate triumph over loneliness. Ripe with evocative imagery and a heartfelt text, *This Is for You* is a powerful combination of poetry, graphic novel, and museum-quality art but at its heart, it's a simple yet timeless tale of love.
