With their lives and liberty on the line, TRANCE was hurriedly condensed from courtroom testimony into a book form and privately published by the authors in September 1995.

ACCESS DENIED For Reasons of National Security is the rest of their true life's story, which required 16 years for the authors to survive and 3 years for them to write. This book is an amazing testament to the strength of the human spirit and one you will never forget for as long as your thoughts remain free.

While TRANCE has become known worldwide in many licensed translations as one of the most successful US government whistleblowers' book ever written, it was never intended for the public who had no reference for understanding mind control nor was it to be considered a book. Rather it is what it is, a true and to date uncontested document for the US Congressional Permanent Select Committee on Intelligence Oversight. TRANCE is Cathy O'Brien's documented testimony she provided to US courts, US Congress, and the United Nations Commission on Human Rights Abuses of her existence as a CIA MK-Ultra mind control project's slave.

ACCESS DENIED is a real book of answers, solutions and positive hope for all of u.s. and our allies around the world. This book was written for everyone and especially for the thousands who have read TRANCE and were left to imagine pertinent details that could not be included.

How did Cathy recover from being tortured "out of her mind" until age 30 when intelligence insider Mark Phillips triggered and rescued her and her daughter Kelly away from their CIA operative handler?

What are the documented details of how Mark & Cathy survived the state and federal and Congressional judicial gristmill aptly called the criminal justice system?

Last but not least, what are the facts as to how Mark & Cathy were able to survive long enough to globally expose the criminal acts of some of the most politically powerful people who are still in control our planet to this very day?

ACCESS DENIED is a whistleblowers' living guide to success.

作者介绍:

My name is Cathleen (Cathy) Ann O'Brien, born 12/4/57 in Muskegon, Michigan. I have prepared this book for your review and edification concerning a little known tool that "our" United States Government is covertly, illegally, and un-constitutionally using to implement the New World Order (One World Government). This well documented tool is a sophisticated and advanced form of behavior modification (brainwashing) most commonly known as MIND CONTROL. My first hand knowledge of this TOP SECRET U.S. Government Psychological Warfare technique is drawn from my personal experience as a White House "Presidential Model" mind-control slave.

Much of the information enclosed herein has been corroborated and validated through brave and courageous "clean" members of the law enforcement, scientific, and Intelligence communities familiar with this case. These individuals' efforts helped me to understand and corroborate what happened after a lifetime of systematic physical and psychological torture orchestrated to modify my behavior through totally controlling my mind. Some of these courageous individuals are employed by the very system that controlled me and live in fear of losing their jobs, their families, or their lives. They have gone as far as they dare towards publicly exposing this tool of engineers of the New World Order--to no avail. This book is a grassroots effort to solicit and enlist the public and private support of Human Rights advocates, the recognized,

respected doors in America to expose this invisible personal and social menace. This can be done by well organized, cooperative citizens with a passion for justice, who have expressed interest in restoring our Constitution and taking back America. This copy you hold is for your edification and action.

...It is my patriotic respect for the principles of truth, justice, and ultimately that freedom on which America was founded that compels me to expose the world domination motivations of those in control of our government, commonly referred to as the Shadow Government. By taking back America NOW, we can maintain the integrity of our country's history and future by detouring its destined course of being recognized world wide for the mind-control atrocities unleashed on humanity that literally begin where Adolph Hitler left off. Hitler's version of world domination that he termed in 1939 the "New World Order" is currently being implemented through advanced technologies in among others, genetic mind-controlled engineering by those in control of America.

...The expertise of my primary advocate and skilled deprogrammer, Mark Phillips, developed through his U.S. Defense Department knowledge of "Top Secret" mind-control research and researchers, was responsible for the restoration of my mind to normal functioning. As a result, I have recovered the memories related in this text, and having survived the ordeal, have reached this point of enormous frustration. In 1988, through a series of brilliantly orchestrated events, Mark Phillips rescued me and my 8-year-old daughter, Kelly, from our mind-controlled existence and took us to the safety of Alaska for rehabilitation. It was there that we began the tedious process of untangling my amnesic mind to consciously recall what I was supposed to forget.

Many U.S. and foreign government secrets and personal reputations were staked on the belief that I could not be deprogrammed and rehabilitated to accurately reveal the criminal covert activities and perversions in which Kelly and I were forced to participate, particularly during the Reagan/Bush Administrations. Now that I have gained control of my own mind, I view it as my duty as a mother and American patriot to exercise my gained free will to expose the mind control atrocities that my daughter and I endured at the hands of those in control of our government. This personal view of inside Pandora's Box includes a keen perception of how mind control is being used to apparently implement the New World Order, and a personal knowledge of WHO some sort of the so-called "masterminds" are behind this world and mind dominance effort.

While I am free to speak my mind, Kelly, now 17, is not so fortunate. Kelly has yet to receive rehabilitation for her shattered personality and programmed young mind. The high tech sophistication of Project Monarch trauma-based mind control procedures she endured, literally since birth, reportedly requires highly specialized, qualified care to aid her in eventually gaining control of her mind and life. Due to the political power of our abusers, all efforts to obtain her inalienable right to rehabilitation and seek justice have been blocked under the guise of so-called "National Security". As a result, Kelly remains untreated in the custody of the State of Tennessee--a victim of the system--a system controlled and manipulated by our abusive government "leaders"--a system which exists due to federal funding directed by our perverse, corrupt abusers in Washington, D.C. She remains a political prisoner in the custody of the State of Tennessee to this moment, waiting and hurting!

.

My name is Marquart (Mark) Ewing Phillips, born May 17, 1943 in Nashville, Tennessee. I have no criminal record and I have never been adjudged insane. I am not a scholar, professional writer, or mental health physician. While I lack the official published academic credentials, I am recognized internationally by mental health and law enforcement professionals as an authority on the secret science concerning external control of the mind.

The purpose of Part I of this book is to document how this reputation was gained. This brief and highly condensed contribution is intended to provide an understanding of why, when, and where I embarked on a study of the most secret technology known to man: Trauma-based mind control. Through the publication of declassified United States Government documents, our U.S. Department of Defense (DOD) admits that this ancient wizard's mechanism for control is so dangerous that most information pertaining to it must remain classified as TOP SECRET. As the employee of a DOD subcontractor with exposure to mind-control research, I was required to sign an oath of secrecy. To this day I am restricted by law from revealing certain specific information that directly pertained to my employment as, among other "sensitive" exposures, a U.S. DOD subcontractor in mind-control research.

This super secret technology is an evolved system of remote human physical and psychological manipulation that has only recently been officially recognized by accredited mental health physicians for what it is, absolute mind control.

My first encounter with mind control research began in the late 1960s in Atlanta, Georgia on the Emory University campus at the Yerkes Primate Center. It was there that I learned about primate behavior modification--the basis for human mind control. Part I of this book is my attempt to impart an understanding of how this and other exposures would prepare me for the challenge of a lifetime.

What I witnessed, in terms of technology, at the Yerkes Primate Center and other government sponsored research facilities, combined with years of personal research into this science of mind manipulation, did not adequately prepare me for what I would be exposed to in 1988 through an unexpected chain of events. This exposure came in the form of personal acquaintance with the human result officially entitled by DOD as, among other cryptic file titles, MK-Ultra.

I have outlined this noxious introduction in hopes that the material provided by one MK-Ultra survivor, Cathy O'Brien, will incite a legitimate federal investigation of her claims.

I was able to liberate MK-Ultra victims, Cathy O'Brien and her daughter Kelly, from the invisible grip of this U.S. Government secret weapon of control. In the process, I also helped Cathy recover her mental and physical health. However, I have not been successful in enlisting the cooperation of my government to pursue the justice issue. There is a reason for this failure to obtain justice that you, the reader, NEED TO KNOW. I have been told repeatedly, "Justice is not obtainable, For Reasons Of National Security."

This book is primarily the autobiography of Cathy O'Brien, who did not volunteer for service to her country, but was used her entire life against her innate, voluntary will for perpetuating criminal activity by many so called leaders within the U. S. Government. These "treasonous leaders" did volunteer for political "service" to our country. They must be held accountable for their actions.

Together, Cathy and I have dedicated our lives to the pursuit of justice and rehabilitation for her and Kelly. All avenues for justice and rehabilitative relief have been blocked For Reasons Of National Security. The question arises, whose security? Cathy O'Brien provides the logical answer. Perhaps after reading this work, you will inspire others to read it. Collectively, as patriots, we can make a positive difference for Cathy and Kelly, our government, and humanity, by having our voices heard. In my opinion, our great United States Constitution does not need to be amended it needs to be enforced.

The grim reality we must all embrace is that there is, in human terms, no justice, and no revenge adequate to equal what these two, and many other victims of this U. S. Government secret weapon experienced. The only remaining remnant of opportunity for justice for these survivors would be derived from a public forum expose' of what they experienced. What these survivors need to witness is the mass dissemination of their story and a radical, positive change in their government's management of secrets. This would be an acceptable, though belated, substitute for justice. Their hope lies in the belief that--

"Truth lives a wretched life,
but always survives a lie."
