Kids will make a joyful noise with these ever-popular classic songs! Lively, warm, and friendly, this illustrated collection - with a CD with Peter Yarrow, his daughter Bethany, and cellist Rufus Cappadocia - will bring families together to read and to sing. Peter (from Peter, Paul and Mary) makes every tune sound fresh and irresistible, and Terry Widener's appealing pictures capture the spirit of each song, from the wild waves and rocking boat of Sloop John B to happy dancers ready to Skip to My Lou.

评论

Peter Yarrow，每一本都喜欢。纯正的民歌和灵乐，父女合唱。孩子可能需要一些时间感受。我放在那边一年，第二年儿子自己迷上了，把每一首冗长的歌词都记下来，可以做游吟诗人了。
