Over the course of his short life, John Keats (1795-1821) honed a raw talent into a brilliant poetic maturity. By the end of his brief career, he had written poems of such beauty, imagination and generosity of spirit, that he had - unwittingly - fulfilled his wish that he should 'be among the English poets after my death'. This new, wide-ranging selection of Keats' s poetry has been selected by Claire Tomalin.

作者介绍:

John Keats (1795-1821) is one of the greatest English poets and a key figure in the Romantic Movement. He has become the epitome of the young, beautiful, doomed poet. He wrote, among others, 'The Eve of St Agnes', 'La Belle Dame Sans Merci', 'Ode to a Nightingale' and 'To Autumn'. Claire Tomalin was born in London in 1933. She has worked in publishing and journalism all her life, becoming literary editor first of the New Statesman and then of the Sunday Times, which she left in 1986. She is the author of, among other books, the extraordinarily successful biography of Samuel Pepys.

Meandering over the grassy English countryside vicariously through Keats. All melancholy.

超级美的一本书，很小有点贵，但非常美

看了小本的Keats后去买的，如此之贵，企鹅logo的书貌似要没了?还好买过一本。心中浪漫主义的大船，也是把大副的头衔给了济慈了。Fade far away, dissolve and quite forget/What thou among the leaves hast never known/the weariness, the fever, and the fret/Here, where men sit and hear each other groan; .....
