出版者:Harvard Business Review Press

出版时间:1996-4-1

装帧:Hardcover

isbn:9780875846736

Bringing together 14 articles from the "Harvard Business Review", this book presents ideas on successfully managing business change. It includes contributions from both

scholars and practitioners, including Peter Drucker, John Kotter, Michael Hammer and Rosabeth Moss Kanter. There are also interviews and discussions with key agents of business change, such as ABB's Percy Barnevik, Xerox's Paul Allaire and AlliedSignal's Lawrence A. Bossidy.
