For over 400 years, Taiwan has suffered at the hands of multiple colonial powers, but it has now entered the decade when its independence will be won or lost. At the heart of Taiwan's story is the curse of geography that placed the island on the strategic cusp between the Far East and Southeast Asia and made it the guardian of some of the world's most lucrative trade routes. It is the story of the dogged determination of a courageous people to overcome every obstacle thrown in their path. Forbidden Nation tells the dramatic story of the island, its people, and what brought them to this moment when their future will be decided.

一个强行hakka邓公的作者，你还能说啥

嗯，还可以更偏颇一点儿。亚细亚的孤儿，遗世独立的呆丸。

taiwan is totally a joke
