The mysterious Stig, Top Gear's resident racing driver and one of the most popular

members of the TG team, has finally got a book of his own. But you'll have to work hard to find him, as he's been cleverly concealed in a series of brilliantly drawn scenes. You might spot him getting down with the kids at a rock festival; or overseeing his workforce in his secret underground lair. He could be one of the spectators lining the route of Bonneville Salt Flats Speed Week; or soaking up the sun on the Costa del Stig. Filled with visual jokes and references to the TV series, and with extra credits for spotting his colleagues at Top Gear and a few other hidden gems, Where's Stig? will give Top Gear fans hours of fun.

评论

曾经在淘宝上买到这书的压箱底货，好像才20块一本....除Stig外还有各种找的项目。想出来搞这种周边也是蛮贱的。
