isbn:9780865971974

As poet, statesman, and pamphleteer, John Milton remains one of the singular champions of liberty in the annals of history. Even in his mediations on theology Milton strove to demonstrate that liberty -- of conscience -- is one of the inviolable rights of free peoples. He published several revolutionary manifestos, two works defending regicide, and of course the famous *Areopagitica*, or defense of freedom of expression and the press against censorship. John Alvis has collected into a superb one-volume edition all of Milton's political writings of enduring importance. These include the entirety of *Areopagitica*, *The Tenure of Kings and Magistrates*, *A Defence of the People of England*, *The Second Defence of the People of England*, *The Readie and Easie Way to Establish a Free Commonwealth*, and *Mr. John Milton's Character of the Long Parliament*. John Milton (1608-1674) was the author also of *Paradise Lost* and *Paradise Regained* and served as Latin secretary to Oliver Cromwell during the Commonwealth.
