著者:Mary Bloch Jones

出版者:MJF Books

出版时间:September 2009

装帧:Hardcover

isbn:9781567319705

In this clever compilation of more than five hundred quotes, writer and researcher Merry Bloch Jones lets a nation full of women dish out the good, the bad, and the funny on one of life's closest and most confounding bonds—the best girlfriend. Neither truth nor hilarity is sacrificed in this candid collection spanning soup (hers is bland) to nuts (don't even mention her ex!).

Filled with more priceless, laugh-out-loud gems than her high school wardrobe, "If She Weren't My Best Friend, I'd Kill Her!" will leave you with a new level of appreciation and understanding of your own irreplaceable gal pal.
