Gangs are usually discussed in the media in terms of me and violence, and little else.

This encyclopedia seeks to illuminate the world of gangs, including gang formation, routine gang activities, aberrations and current developments. One hundred essay entries related to gangs worldwide provide a broad overview of the gang phenomenon. Each entry defines and explains the term, provides an historical overview, and explains its significance today. The entries include: Bikers, Bloods, Cholas, Crips, gang mythology, gang warfare, graffiti, Hell's Angels, Hong Kong Triads, Latin Kings, law enforcement, occultic gangs, mafia, media, prison gangs, rites, skinheads, tattoos, trafficking, wannabes, West Side Story, witness protection programmes, and youth gangs.
