Newly updated for Final Cut Pro 7, this Visual QuickPro Guide is hands-down one of the most sought out books on Apple's non-linear editing system. An undisputed master of the digital video medium, Lisa Brenneis once again demystifies the complexities of the program with her straightforward approach that uses tasked-based, step-by-step

instructions and loads of visuals and time-saving tips. Busy professionals and newcomers alike will appreciate that they can quickly find and learn tasks specific to their needs, benefiting from the award-winning Visual QuickPro style. Topics covered include essential editing tasks and media-management strategies, transitions, effects and filters, rendering options, and much more. It includes coverage of new features such as the new speed tools, iChat theater support, and additional export options via the new Share menu, for delivering content to multiple devices including iPhone, iPod, and MobileMe. This is a must-have reference for anyone wanting to learn to use Final Cut Pro, whether they are new to the program or are upgrading.
