Praise for the Chief Inspector Mario Silva series: “Intelligent and subtle. . . . Lovers of suspenseful and sophisticated crime novels will be rewarded.” — Publishers Weekly “An impressive follow up to an excellent debut. . . . Gage’ s talents include not only captivating characters and realistic plots, but also an intensely realized sense of place and an unrelenting fast pace.” — Booklist “Highly recommended.” — Library Journal , starred review “Both a powerful political thriller and gripping crime fiction.” — Florida Sun-Sentinel “Breathtaking. . . . A book you can’ t afford to miss.” —Louise Ure “Terrifically written, intelligent, and powerfully evocative. Leighton Gage is a master storyteller.” —Brian Haig “As rich and complex as Brazil itself.” —Rebecca Pawel The granddaughter of a prominent politician is missing. Silva and his team find her in Manaus, a jungle hellhole on the Amazon where an evil female doctor is making gory snuff films. Silva must overcome his own department’ s indifference and the corrupt local cops before he can obtain a semblance of justice for the victims. Leighton Gage has spent many years in Brazil, where he maintains a home. He also lives in Miami and spends part of the year in the Netherlands. His previous books in the Chief Inspector Mario Silva series, Blood of the Wicked and Buried Strangers , are also available.
