

Student Solutions Manual to Accompany Physics

[Student Solutions Manual to Accompany Physics_ 下载链接1](#)

著者:John D. Cutnell

出版者:Wiley

出版时间:2009-3-16

装帧:Paperback

isbn:9780470395295

Designed to accompany "Physics, 8th Edition" by John D. Cutnell, which was made for medical professionals who may struggle with making the leap to conceptual

understanding and applying physics, the eighth edition continues to build transferable problem-solving skills. It includes a set of features such as Analyzing-Multiple-Concept Problems, Check Your Understanding, Concepts and Calculations, and Concepts at a Glance. This helps the reader to first identify the physics concepts, then associate the appropriate mathematical equations, and finally to work out an algebraic solution.
