

The Complete Poems

[The Complete Poems_ 下载链接1](#)

著者:Robert Graves

出版者:Penguin Classics

出版时间:2003-4-24

装帧:Paperback

isbn:9780141182063

Graves described poetry as his ruling passion, and for him love was 'the main theme and origin of true poems'. He created a rich mythology where love, fear, fantasy and the supernatural play an essential role. Intimate yet universal, passionate yet precise, their brilliant alchemy of realism and magic made Graves' poems some of the finest of the last century. In this edition the poems appear without critical apparatus or commentary. The volume represents in its purest form the achievement of Graves' seventy productive years.
