This is an enchanting collection from India's foremost storyteller, rich in wry, warmly observed characters from every walk of Indian life - merchants, beggars, herdsmen, rogues - all of whose lives are microcosms of the human experience. Like Nambi in the title story, Narayan has the mesmeric ability to spellbind his audience. This he achieves with a masterful combination of economy and rhythm, creating haunting images and a variety of settings to evoke a unique paradox of reality and folklore.
