出版时间:2009-5-28

装帧:Paperback

isbn:9780141191775

Learning by heart is the best way to experience a poem, but the method has fallen

from favor as part of the educational system. This small collection of the best English poems offers the reader the chance to re-engage with poetry. Filled with favorites, and thoughtfully selected by Laura Barber (editor of "Penguin's Poems for Life" and the forthcoming "Penguin's Poems for Love") this anthology is an essential addition to everyone's repertoire.
