This book features recent vintages, prices and ratings for more than 8,000 wines from across the world. With this fully revised, seventh edition of "Parker's Wine Buyer's Guide", Robert Parker once again makes the world of wine accessible to everyone. Two volumes presented in a durable slipcase cover wines from France and the rest of the world. Using his famous 100-point rating system, he evaluates over 8,000 wines. It contains all the essential information on recent vintages and prices, buying and storing, spotting badly stored or abused bottles, and finding the best value wines. This is an indispensable one-stop-shop for any wine connoisseur.
