Experience the best of this diverse region with our 2nd edition: you'll shiver with Mostar's bridge divers as they plunge into the icy waters below; listen for the saint's heartbeat at the tomb of Sveti Naum; and cast off your clothes - and your cares - when you swim off Dubrovnik's Lokrum Island. Lonely Planet guides are written by experts who get to the heart of every destination they visit. This fully updated edition is packed with accurate, practical and honest advice, designed to give you the information you need to make the most of your trip. In this guide: chapters on Kosovo and Montenegro, unique color sections highlighting the best of the Balkans and fascinating interviews with winemakers, archaeologists, a bar owner and a historian.
