The Unbeatable, Updated, Comprehensive Guidebook For First-Time Consultants

Getting Started In Consulting

More people than ever are making the jump from corporate offices to home offices, taking control of their futures, being their own bosses, and starting their own consultancies. Consulting is a bigger business than ever and growing every day.

For almost a decade, Alan Weiss's *Getting Started in Consulting* has been an indispensable resource for anyone who wants to strike out on his own and start a new consulting business. It provides a rich source of expert advice and practical guidance, and it shows you how you can combine low overhead and a high degree of organization to add up to a six- or even seven-figure income. You'll learn everything you need to know about financing your business, marketing your services, writing winning proposals, meeting legal requirements, setting fees, keeping the books, and much more.

This new Third Edition of *Getting Started in Consulting* is more comprehensive, up to date, and practical than ever. In addition to the nuts-and-bolts basics, you'll also get a wealth of new information and resources:

*

How to leverage new technologies to lower your business costs and increase your profits

*

A budget sampler that shows you how best to maximize an initial start-up investment of \$5,000, \$10,000, or \$20,000

*

Free downloadable tools and forms to help you design and start your business quickly and easily

*

New interviews with consultants who achieved rapid success, including their personal stories and most effective techniques

*

Brand-new references, examples, and appendices

If your dream in life is to get out of the office and out on your own, consulting is a great way to make it happen. Make sure you do it right—and do it profitably—with *Getting Started in Consulting*, Third Edition.

评论

非常笼统的心灵鸡汤 真的只是个起点

可以看作是如何应用影响力的实战吧

里面的自我营销还是挺有用的。但是。。每周工作20小时，能拿7位数年薪？！

关于公司操作和税务方面我想未必适用国内。但其他关于如何从零起步开创咨询服务业的建议是可以参考的。
