著者:Allyson Jule

出版者:Multilingual Matters

出版时间:2008-02-15

装帧:Paperback

isbn:9781847690555

"The book is divided into two parts. Part 1 explores the historical background to the study of gender and language, moving through past theoretical approaches and debates to current views and trends. In Part 2, gender and language use are examined

in various contexts, specifically in the media, in classrooms, in the workplace, in the Western church, and at home. Each chapter offers study questions and further reading suggestions. There is also a helpful glossary of key terms at the back of the book. A Beginner's Guide to Language and Gender is designed to be appealing, informative and, above all, accessible for readers from a range of backgrounds and disciplines

作者介绍:

Allyson Jule is Senior Lecturer in Education, University of Glamorgan, Wales. Bettina Tate Pedersen is Professor of Literature, Point Loma Nazarene University.

都已经有第二版了，豆瓣還是沒有第二版的條目

Somehow more straightforward and easier
