Michael's grandfather has a secret--a secret that's almost too strange to share . . . When Michael moves to Israel, he leaves loneliness behind and steps into the light of his grandfather's magic. Like a sorcerer's apprentice, Michael learns how to blur the lines between dreams and reality when his grandfather hands down the most precious of gifts--a gift that allows Michael passage into his grandfather's dreams. Written with a quiet simplicity that wins the reader over at once Uri Orlev writes in a style so sure and yet so unassuming that it is certain to linger in reader's minds long after turning the last page.
