著者:A. David Moody

出版者:Cambridge University Press

出版时间:1995-1-27

装帧:Paperback

isbn:9780521467506

A. David Moody's Thomas Stearns Eliot: Poet was published to acclaim in 1979, with a successful paperback following in 1980. This carefully revised and corrected second edition, with a specially written preface and a new appendix, meets the demand for one of the classic studies of the twentieth century's best-known poet.
