Jennifer Hunter is an expert on men. She can tell if they're single, married or lying...She runs a company which specialises in conducting fidelity inspections for those who suspect their loved ones are capable of infidelity. Boyfriend behaving badly? Suspect your husband of straying? Then Jennifer can supply the ultimate test. Some might call it entrapment but to Jennifer it's business pure and simple. And business is booming. But every success brings inevitable backlash and with each new challenge, Jen finds it harder and harder to stay in 'retirement', despite the promises she has made to her new boyfriend, Jamie to leave the actual 'seductions' to her employees. Unfortunately, Jamie is one of the few men that Jennifer's never been able to 'read'. But after seeing so many men fail the fidelity tests, can Jennifer let herself believe in one good man?

A book for girls. Not easy to read, especially when girls get crazy.
