The Communist Manifesto was first published on February 21 and is one of the world's most influential political tracts. Commissioned by the Communist League and written by communist theorists Kar Marx and Friedrich Engels, it laid out the League's purposes and program. The Manifesto suggested a course of action for a proletarian revolution to overthrow the ruling class of bourgeoisie and to eventually bring about a classless society.

21歲才看，我感到非常慚愧。

Working Men of All Countries, Unite!

好像說熱血青年該看看這個？

This is the best English writing i have encountered so far! the translation and insights of thoughts are both amazing.
