When Manny sets up a teeter totter for a new family in town, he befriends their young son, Marcelo. Marcelo is afraid that he won't be able to make any friends since he is new and from a different country, but Manny and the tools convince him that everyone is different in their own ways and he will make friends in no time. In fact, they introduce him to his first Sheet Rock Hills pal, his new neighbor. Handy Manny features the humorous adventures of Manny Garcia, the best darn handyman in his diverse community. Manny and his eclectic group of talking tools work together to fix objects, help neighbors, and show preschoolers how to conquer everyday problems.
