《学做中国剪纸(英文版)》内容简介： This is a very useful book for foreigners who are, or may get interested in Chinese papercutting. It features stepby-step directions, varied projects, clear diagrams, vivid photos, attractive patterns and practical guidelines for creating new designs. As a branch of folk arts,papercutting reflects Chinese culture in the past and at present. By learning the projects offered by this book, you will have a taste of Chinese life and culture.
