Smurov, a fussily self-conscious Russian tutor, shoots himself after a humiliating beating by his mistress' husband. Unsure whether his suicide has been successful or not, Smurov drifts around Berlin, observing his acquaintances, but finds he can discover very little about his own life from the opinions of his distracted, confused fellow-emigres. Nabokov's shortest novel, "The Eye" is both a satirical detective story and a wonderfully layered exploration of identity, appearance and the loss of self in a world of word-play and confusion.

## 评论

记不大清了，前半截是生前，后半截是主角死了之后的世界，很奇妙，幻想除了一座巴黎常有的居民楼，还和楼上楼下邻居有说有笑开party。。。。
