This currency trading book provides readers with real, practical information on how to trade the foreign exchange market effectively. It begins by covering introductory information on the forex market, including basic trading mechanics and the benefits of forex trading, and then goes on to describe specific currency trading methods and skills in step-by-step detail. This includes highly practical information on technical and fundamental analysis, risk and money management, and powerful forex trading strategies. These strategies have proven extremely effective in helping traders play the forex game to win. JAMES CHEN, CTA, CMT (Montville, NJ) is Chief Technical Strategist at FX Solutions, a leading foreign exchange broker. An expert on forex trading and technical analysis, he is also a registered Commodity Trading Advisor (CTA) and a Chartered Market Technician (CMT). Mr. Chen writes daily currency analysis, leads forex trading seminars, and has authored numerous articles on currency trading strategy and technical analysis for major financial publications. These include Forbes.com, Futures Magazine, Technical Analysis of Stocks and Commodities Magazine, and Stocks, Futures and Options (SFO) Magazine.
