Well established as ‘the East Coast yachtsman’ s bible’ , this new edition of this

highly regarded guide covers the rivers, curlew-haunted creeks and intricate shoals and swatchways of the Thames Estuary. Edited by Janet Harber, the book now includes Lowestoft in the North and Ramsgate to the South and contains completely redesigned charts and new colour photographs. Updated and extended shore side information and essential pilotage details based on many years of local knowledge make this an indispensable companion. In full colour throughout, this is the nineteenth edition and highly affordable. ‘... As most of my cruising is done around the East Coast, I find this an extremely useful publication and would highly recommend it to anyone. This is my second copy of the guide, my first being the 13th edition which was done to death!’ -Ken Eldridge, West Malling ‘...East Coast Rivers has given us so much help and pleasure over almost ten years sailing in east coast waters.’ Mike Street, Milton Keynes East Coast Rivers Cruising Companion is the 2 nd edition, which has been revised from the 16 th Edition of East Coast Rivers , originally published by Yachting Monthly (1956).
