出版时间:2009-04-24

装帧:Vinyl Bound

isbn:9780195304626

The Oxford American Handbook of Surgery is the essential ready reference guide for medical students, residents, and practicing surgeons. By authors from Harvard Medical Schools Department of Surgery, the Handbook covers the entire range of surgical specialties plus principles of surgery, surgical pathology, and anesthesiology. Clinical pearls, highlighted definitions, and checklists aid the student and house officer in understanding and using information integral to the discipline of surgery.
