著者:Canadian Commission on Building and Fire Codes

出版者:National Research Council of Canada

出版时间:2006

装帧:Paperback

isbn:9780660970639

The purpose of these Commentaries is to make available to the designer detailed design information that will assist in the use of Part 4 of Division B of the National Building Code of Canada 2005. (NBC). The Commentaries are provided as background information and, in some cases, as suggested approaches to certain design questions, but not as mandatory requirements.

作者介绍:

The Commentaries were prepared with the assistance of the following: D.E Allen, J.G.MacGregor, W.A.Dalgliesh, W.G.Plewes, A.G.Davenport, J.H.Rainer, D.J.L Kennedy, W.R.Schriever, D.A.Lutes, D.A.Taylor
