

# BIM and Construction Management

[BIM and Construction Management 下载链接1](#)

著者:Brad Hardin

出版者:Sybex

出版时间:2009-05-11

装帧:Paperback

isbn:9780470402351

Offering practical advice and tested techniques, this book serves as the first and only building information modeling (BIM) integration guide for the construction industry. You'll explore crucial construction tasks such as estimating, staging, sustainability testing, multiple model trade coordination, and digital detail resolution. In addition,

the book also looks at facility management models and offers a clear picture of how the featured tools, techniques, and workflows can benefit each discipline.
