Miklos Radnoti (1909-1944), Hungary's classicist-avant-garde poet, was also a prolific translator and editor who wrote some of his greatest poems in the labour camps and copper mines of Yugoslavia before being killed by the Nazis at an early age. Leaving behind a body of work that ranks with the classics of Hungarian verse, his influence is now being felt among a younger generation. This collection of the proceedings of the Radnoti Memorial Conference explores such topics as neo-classicism and avant-garde in Radnoti's work, Radnoti and the Bible, and his relationship to modern writers and the ancients. 10月阅毕第一本书（9.25—10.1）。只打四星多半是我的问题（有几篇文章因是翻译自匈牙利学者研究的缘故，英文理解难度陡增）。但无论如何，此书都是了解诗人很好的入门，感佩于编者的用心。
