Ever dreamed of winning the lottery? One of those massive, life-altering purses? Join Keith Whipple and his daughter Kate as they do just that, netting ten million dollars in a single-winner draw. Share in their excitement, the dreams that leap into their lives fully formed. But that kind of money, the heady sense of power it brings. do we control it? Or does it control us? Follow the Whipples and their ill-fated ticket on a roller coaster ride of greed, deception and murder, in a game where there can be only one winner.
