This volume brings together for the first time thirteen recent interviews with the brightest names in contemporary philosophy, including W.V.O. Quine, Richard Rorty, Stanley Cavell, Hilary Putnam, as well as the only known interview with John Rawls. The pieces are taken from the Harvard Review of Philosophy. Covering a wide range of topics from the philosophy of law and logic to metaphysics to literature, the interviews provide a fascinating introduction to some of the most influential thinkers of the day.
