出版时间:2010

装帧:full color, linen hardcover

isbn:9783899552836

The 2010 edition of The Design Hotels™ Book is a comprehensive overview of the most original design hotels worldwide that provides insight into trends and developments in hospitality design. In addition to presenting 170 spectacular hotels from around the world, the book showcases 10 of the people behind them. As authentic, innovative, and visionary as the spaces they have created, these individuals tell compelling behind-the-scenes stories of their work on hotels that are setting new standards in high-end hospitality. With its images of striking architecture and interior design, this 424-page hardcover brings the experience of staying in a Design Hotels™ property to life.
